Homemade

Thanksgiving Dinner

Sliced Slow-roasted Herb-Seasoned Turkey

- Lil' Guys slow roasts all-natural whole turkeys with our classic seasonings. We slice the white & dark meat for you. All you have to do is gently reheat & transfer the turkey to your own beautiful serving platter. Go ahead & tell your family & friends that you cooked Thanksgiving dinner this year: We won't tell!

Homemade Gravy - A classical roux thickened gravy made from the turkey drippings with parsley, rosemary & thyme.

Turkey Jus - straight from the turkey

Classic Bread Stuffing - Made with turkey stock, herbs & spices. A thanksgiving tradition.

Homemade Fresh Cranberry Sauce - My Mom's recipe. It's cranberry relish made fresh with cranberries and oranges.

Soft Dinner rolls - our special house bread

Chef Richie's Famous Creamed Spinach - Made with fresh baby spinach. This healthy dish is devilishly creamy with a hint of nutmeg.

Sweet Buttery Corn - That says it all!

Sweet Autumn Roasted Acorn Squash - with a sweet cinnamon sauce.

Mashed Sweet Potatoes with Marshmallow Topping - buttery sweet potatoes with a marshmallow topping. The topping comes on the side for those that just like to indulge in the sweet potatoes by themselves.

Real Mashed & Smashed Whipped Potatoes - my heavenly recipe with over 20 steps to insure that they are light & fluffy like a pillow.

Roasted Herb & Garlic Red Bliss Potatoes - A delicious potato roasted in olive oil, garlic & herbs.
