About Li'l Guys

Li'l Guys has been my dream restaurant, long in the making. For years, I've wanted to create a restaurant where you could get real homemade sandwiches, with fresh-roasted, real turkey (and other meats), like you used to get in the old days. I started researching and developing the recipes for Li'l Guys over 20 years ago. I have perfected many of the recipes since graduating from The Culinary Institute of America in 1991.

It's Fresh. Homemade. From Scratch.

Many sandwich shops spend all their time touting their sauces, vegetables and breads. Then they serve you a sandwich with inferior quality, factory-processed meats and salads.

At Li'l Guys, we concentrate on the whole sandwich experience, starting with the most important part – our homemade meats and salads. We roast our own top-quality meats – just like (or maybe better than) your mom or grandma. Then we sandwich those between the freshest vegetables, sauces, and breads.

We make all our food from scratch daily and prepare sandwiches and salads to order. Li'l Guys is run by a professional chef with over 15 years of culinary experience.

We serve 100% real turkey, roast beef, corned beef, etc.

For catering:

Figure about 2 1/2 Li'l Guys per person if the sandwiches are the main course. or about 1 1/2 per person if the sandwiches are amongst a variety of foods.
